THREE HURT IN RACE RIOT

A white woman was beaten insensible, a girl and man, both white, were cut and bruised, and several shots were fired in a race riot between whites and negroes on a south-bound State street car near Root street this afternoon.

The Injured:

Mrs. Mary Barrett, 39, 5532 Lafayette st.; nose broken, right knee dislocated; several teeth knocked out.

Mary Barrett, 11, teeth knocked out, cuts on face.

Edward W. Burns, cuts on face and bruises on body.

According to passengers on the car trouble started when a negro insulted a white woman. An unidentified white man struck the negro, and in a moment a battle started among men passengers, about half of whom were negroes. Mrs. Barrett was knocked down and trampled.

The car was stopped and the motorman and conductor joined in the fray. All of the negroes leaped from the car and fled. Policeman Jacobs, who was standing at the corner of Root and State streets, fired several shots at the escaping men, but none took effect. No arrests were made.
